

We Make Winning a Habit

Venom® face protection

Serpent® safety helmet

Flight™ safety eyewear

At Gateway Safety, we take pride in manufacturing innovative safety products that look good, fit right, and, of course, protect the workforce. And people are noticing. Voted on by industry experts and readers like you, Gateway Safety has been granted first place prizes in eye, face, and head protection categories in several different award competitions.

Producing top-notch products is becoming a habit...and not one we're willing to break any time soon.
