

# StarLite<sup>®</sup> FOAM

**Still The One...The Original. The Best. Now With Foam.**

The highly popular StarLite brand brings you **StarLite<sup>®</sup> FOAM**, which features a soft foam edge along the top and sides of the lens. This foam edge helps to block dirt and debris from above, while absorbing moisture and preventing perspiration from falling into the wearer's eyes.

**StarLite FOAM** is still extremely light weight, with a wraparound lens that provides superior impact protection.

Ideal for hot and/or dusty work environments, **StarLite FOAM** is available in clear anti-fog and gray anti-fog lens options for superior fog fighting capabilities.
