

Cobra

Striking Appearance. Poised to Protect.

Like a coiled cobra poised to strike, powerful **COBRA** Protective Eyewear from Gateway Safety is always ready to protect against sudden danger in the workplace.

COBRA's frame features a unique rubberized coating that provides the spectacles with the silky look and feel of real snake skin. The sleek, soft frame is the essence of style.

COBRA's aggressive styling and ultra-light weight entice workers to wear their eye protection. And protective eyewear that stays on helps prevent costly injuries.

The comfortable-fitting frame with soft, flexible earpieces eliminates pinching. A one-piece lens with dual viewing areas offers wrap-around protection and a wide, unobstructed view.

Cobra

COBRA eyewear is sleek, soft, lightweight impact protection. The spectacles strike a balance between comfort and safety.

COBRA Features

- Incredibly light—COBRA weighs in at just 1.1 oz per pair.
- Frame features a unique rubberized coating that produces a smooth, one-of-a-kind look and feel.
- Light and comfortable, COBRA's thin, sleek appearance strikes a balance between comfort and safety.
- Soft, flexible PVC earpiece ensures a comfortable fit while eliminating the pinching common to conventional, hard plastic earpieces.
- Soft, adjustable PVC nosepiece prevents slippage while providing superior comfort and the "right" fit.
- Hardcoated lenses for scratch-resistance. It's our mark of quality and your measure of value.
- One-piece impact-resistant polycarbonate lens with two distinct viewing areas offers a wide, unobstructed view.
- Durable nylon frame available in three popular colors: black, light gray and burgundy.
- Lenses block in excess of 99.9% UV-A and UV-B light.
