

A red gumball machine with a clear glass globe filled with various colored safety glasses. The machine has a silver coin slot and a red base. In the foreground, two safety glasses are shown: one with blue temples and one with yellow temples.

# StarLite® GUMBALLS™

**Assorted Colors.  
Assorted "Flavors."  
Safety In Every Piece.**

Safety first, always. But who says you can't have a little fun with your eye protection? With ten different, vibrantly colored temple choices per box, **StarLite® GUMBALLS™** add a little flavor and fun to everyday safety.

Workers can now pick the "flavor" that represents their personal energy. Or choose a color that accents their look for the day. Whatever the flavor or color, the legendary StarLite® safety is still the same.

**GUMBALLS™** share the style, comfort, and protection of the original StarLite® and StarLite® SM safety glasses: super cool design, incredible light weight—less than one ounce—durability, and excellent all-around impact protection.

That's color, comfort, and optimum safety in one sweet spectacle.

**Gateway**  
SAFETY, INC.

Trust the StarLite® name for optimum protection, then add a little flavor and fun. GUMBALLS™ encourage compliance by making safety personal!

Ten different, vibrantly colored temple choices per box: Vanilla, Black Licorice, Mocha Brown, Cotton Candy, Grape, Orange, Cherry Red, Blueberry, Lemon Yellow, Lime Green.

Colors have a real influence on your personal environment! With ten different temple color options per box ... what flavor do you want today?

GUMBALLS™ have a clear, wrap-around lens, block 99.9% of UV-A and UV-B rays, and still weigh less than one ounce.

### STARLITE® GUMBALLS™ FEATURES

- Super cool ... just like the original StarLite®.
- In each box, there are ten different, vibrantly colored, translucent temple choices that allow employees to choose their "flavor" of protection for the day.
- Extremely comfortable – weighs less than one ounce – yet durable enough for serious all-day protection.
- Scratch-resistant polycarbonate lens features dual 9.75 base curvature viewing areas for wide field of vision.
- Deep, universal-fit temples provide side protection equal to that of eyewear with large sideshields.
- Available in standard StarLite® size or StarLite® SM, which is 10% smaller for workers with narrow faces.
