

# Comfort takes Flight™

*where no eyewear  
has gone before.*

TEMPLE  
technology™

Flight's patent-pending temples softly cushion  
the head, ensuring all-day comfort.

## The Next Generation in Safety Eyewear Arrives.

Flight™ safety eyewear soars into a new territory of comfort. Its revolutionary, patent-pending design includes soft, cushioned temple tips that gently hug the user's head. Now, workers who dread headaches due to safety glasses that pinch, can take Flight™ with ultimate comfort.
