

I CAN'T SEE STRAIGHT...AND IT SAYS THESE SAFETY GLASSES ARE 'ANTI-FOG'!

Removing your safety glasses to wipe foggy lenses is just plain dangerous. Gateway Safety has your back, introducing fX³™ Premium Anti-Fog, which delivers:

- **SUPERIOR ANTI-FOG PERFORMANCE.** Engineered to fight fog better than current alternatives.
- **LONGER-LASTING EFFECTIVENESS.** Adheres longer than water-based or spray-on coatings.
- **GREATER SCRATCH RESISTANCE.** Stands up to scratching eight times better.

fX³ has been tested in accordance with the EN 166 standard for anti-fog performance and lasts **30 times longer** than other manufacturers' 'anti-fog' products. Plus it's brought to you in four unique styles: StarLite®, Conqueror®, Swap®, and Ellipse™.
