

Made For Safety. Styled For Women.

Straight from Gateway Safety's award-winning product line, **GirlzGear**® safety products are tailored for women — with the look, size, and feel that women want.

GirlzGear includes some of the most trusted products from Gateway Safety, including StarLite® SM and Scorpion® SM — popular styles that are sized 10% smaller to fit the female profile better. Also a part of the **GirlzGear** lineup, Metro™ safety eyewear offers modern style in a pink, tortoise shell or even pink camo frame patterns. And Parallax™ safety glasses, designed for superior comfort, feature a dual-component, patented temple in pink for a little added fun.

GirlzGear doesn't stop with eye protection. The Serpent® safety helmet is already a favorite with women. Its rotating ratchet adjustment system creates a custom fit for nearly any size head. Lightweight and comfortable, Serpent is available in pink...and nine other fun colors.

Though feminine and fun, **GirlzGear** is no joke when it comes to safety. All Gateway Safety eyewear meets the ANSI Z87.1+ high impact standard, and Serpent helmets meet the ANSI Z89.1 impact standard. To answer to the needs of today's diverse work force, get the protection women will want to wear. Get **GirlzGear**.
