PROTECTIVE EYEWEAR

**Striking looks.
Aggressive protection.**

HAWK™ Protective Eyewear offers sleek, swooping style. The “winged” lens design of the rimless **HAWK™** offers wrap-around protection and a clear, sharp view of the workplace.

Feather-light, **HAWK™** is comfortable all day, every day, yet provides heavy-duty protection. The adjustable temples of the **HAWK™** also flex so that one size truly fits all.

The **HAWK™** is available in a wide variety of lens options, including a special blue light filter lens that protects your workforce from retinal photochemical injury by eliminating the phenomenon called “blue blur.”
