

PROTECTIVE EYEWEAR

Fast Transformation. Heroic Protection.

Temples to head strap in seconds flat ...change your safety eyewear to meet your needs. That's how **Swap**® protective eyewear faces down any workplace peril. **Swap** is two products in one—a safety spectacle and a safety goggle. It comes with temples to use as glasses and a head strap to swap it to a goggle.

Durable protection needed? The **Swap** polycarbonate lens stands up to the toughest workplace archenemies with all-around impact protection that meets ANSI Z87+. **Swap** also blocks more than 99.9% of UV-A, B, and C light.

Hazards abound? The **Swap** frame is lined with soft, smooth foam that blocks dust and debris. Venting channels minimize fogging for better visibility. Plus **Swap** is now available in the fx3™ premium anti-fog lens option.

Comfort an issue? **Swap**'s stylish two-color temples are rubberized for all-day comfort, and the head strap is fully adjustable to fit any size head.

Let **Swap**'s dual identity work for you. Plus, get strong, comfortable safety eyewear... that's superhero protection!
