Woodsman[®]

Forestry Systems

Woodsman[®] Forestry Systems provide an integrated product solution for forestry applications or environments that require head, hearing and face protection at once.

Made with high quality products and conveniently packaged together, these components include:

- **Gladiator™ II Safety Helmet** - a comfortable, cap-style safety helmet with a Cool Guard™ self-wicking brow pad. (Type 1, Class E)
- **Cap-Mount Earmuff** - choose between metal wire or dielectric designs, which easily snap into hard hat slots. (24 NRR)
- **Steel Mesh Visor** - provides protection against flying particles while keeping workers cool and providing a clear field of vision. (ANSI Z87.1)

Other variations and colors may be available. Please call Gateway Safety's customer service department for inquiries.
