Disposable Earplugs.
Comfortable,
reliable, &
affordable.

GloPlugz[®] Earplugs

According to the National Institute for Occupational Safety and Health (NIOSH), noise-induced hearing loss is 100 percent preventable by wearing appropriate hearing protection. Once acquired, however, hearing loss is permanent and irreversible. Gateway Safety's **GloPlugz** are affordable hearing protectors that workers won't mind wearing.

Soft, comfortable and disposable, **GloPlugz** earplugs offer serious protection at an affordable price. Their smooth, tapered design allows for incredibly easy insertion and their non-allergenic polyurethane formula is extraordinarily soft and comfortable. **GloPlugz** are independently tested to a 31 Noise Reduction Rating – one of the highest earplug NRR ratings available.

GloPlugz earplugs are available with or without a cord.

GLOPLUGZ® Features

- Extremely smooth, tapered design allows for incredibly easy insertion.
- Non-allergenic polyurethane formula is extraordinarily soft and comfortable.
- Available with a glossy purple cord to make compliance checks easy.
- Independently tested to a 31 Noise Reduction Rating – one of the highest earplug NRR ratings available.
