**WARNING**

- Use this laboratory derived attenuation data for comparison purposes only.
- Failure to obtain a proper fit will reduce effectiveness of hearing protectors and could result in hearing loss or injury.
- Using too much hearing protection can be dangerous. The wearer must be able to hear warning signals. It is the employer's responsibility to ensure that the type of hearing protector and its NRR is appropriate for the user in their particular workplace.
- Wearers with hearing loss should exercise extreme caution.
- Failure to follow these warnings could result in serious injury or death.

**ADVERTENCIA**

- Use los presentes datos obtenidos del laboratorio sólo para fines de comparación.
- No acomodar de manera correcta los protectores de oídos reducirá su eficacia y puede resultar en la pérdida del oído o en lesiones.
- Usar demasiado los protectores de oídos puede ser peligroso. El usuario debe ser capaz de oír las señales de advertencia. Es responsabilidad del patrón cerciorarse de que el tipo de protectores de oídos y su NRR sea apropiado para el usuario en su lugar particular de trabajo.
- Los usuarios con pérdida del oído deben extremar precauciones.
- No tomar en cuenta estas advertencias puede resultar en lesiones graves o la muerte.

**PROPER CARE AND MAINTENANCE**

Wash with warm soapy water to clean the ear cushions, dampers, or plastic components whenever necessary. DO NOT USE SOLVENTS. All vinyl ear cushions harden with age. To maintain optimal comfort and performance, cushions on this earmuff should be replaced with Gateway Safety #954000 (TASCO #22935) every three to six months. Please contact us for further information.

**CUIDADO Y MANTENIMIENTO ADECUADOS**

Lave con agua tibia y jabón para limpiar las almohadillas, los amortiguadores o los componentes de plástico cuando sea necesario. NO UTILICE DISOLVENTES. Todas las almohadillas de vinilo se endurecen con el tiempo. Para mantener una comodidad y un rendimiento óptimos, las almohadillas de esta orejera deben reemplazarse con el número de pieza de Gateway Safety #954000 (número de pieza TASCO #22935) cada tres a seis meses. Comuníquese con nosotros para obtener más información.

Gateway Safety manufactures award-winning products in eye, head, face, hearing and respiratory protection.
